- Databases: MySQL, SQLite, PostgreSQL, MongoDB
- Other: Agile, Problem-solving, Team Collaboration, Web Development, Data Science, Cloud Technologies, Docker, REST APIs

LANGUAGES

- English – Fluent
- Bengali – Native
- Czech – Beginner

PROFILE

Passionate Full Stack Developer with experience in building scalable web applications and implementing user-friendly interfaces. Adept in PHP, Laravel, Django, and Data Science technologies. Focused on delivering high-quality solutions with a strong emphasis on clean code, performance, and user experience. Constantly learning and evolving with the ever-changing tech landscape.

WORK EXPERIENCE

Freelancer | Remote

Full Stack Web Developer

2021 – PRESENT

- Developed and maintained scalable, dynamic web applications using Laravel and Django.
- Integrated interactive front-end interfaces with seamless back-end functionality.
- Improved UI/UX for better user engagement and performance optimization.
- Collaborated with cross-functional teams to design and implement features.
- Built and deployed data analysis tools for the company using Python and Streamlit, enhancing business decision-making.

PROJECTS

MX Solutions

Technologies: *Laravel, Blade Templates, Bootstrap, CSS3, HTML5, jQuery, MySQL, PHP.*

Built a responsive corporate website, designed clean UI/UX, implemented dynamic content and optimized for SEO and performance.

Superstore Sales Dashboard

Technologies: *Python, Streamlit, Pandas, Scikit-learn (Random Forest), Seaborn*

Analyzed sales data, segmented customers (RFM), and built a dashboard with profit prediction, real-time input, and business insights.

QBUY – Dynamic eCommerce Platform

Technologies: *Laravel, Livewire, Blade, Bootstrap, MySQL, jQuery*

Developed a dynamic e-commerce site with product search, cart, wishlist, and recommendations. Used Blade and Livewire for responsive UI with real-time updates.

Django eCommerce App

Technologies: *Django, HTML, CSS, JavaScript*

Developed an eCommerce platform with features like product details pages, a beautiful cart and checkout UI and dark mode toggle.

CERTIFICATIONS

- **Certification in Python for Data Science, AI & Development** (Online Course/IBM) – April/2025
- **IBM Data Science Professional Certificate** (Online Course/IBM) – May/2025
